

SCM MEMTS 2011

Invitations for making reports

International scientifically-practical conference «Simulation and complex modelling in marine engineering and marine transporting systems» – SCM MEMTS 2011 will be carried out in Saint-Petersburg (Russia) on June, 29 2011 (on June, 30 panel discussion will be carried out). Conference will be carried within the frames of «International Maritime Defense Show 2011».

Authors are invited to forward their reports to conference secretariat but not later than **June, 02 2011** (only in this case it is guaranteed, that they will be published as conference materials).

Materials for publication, including all necessary illustrations, tables and formulas have to be prepared as Microsoft Word document (with auto check of orthography – *Service* menu, *Orthography* command). Numeration of illustrations, tables and formulas should be continuous. Pictures captions have to be done as separate text (shouldn't be a part of picture). Page format should be A4 (210x297 mm) with page fields not less than 25 mm. Main text is to be printed with use of Times New Roman, font size – 12. Indenture should be 1.25 mm. Feed pitch should be single. Numbers of formulas to be given in round brackets and placed on the right side. Pictures, included in text, have to be enclosed as separate JPEG files.

Scope of material for publishing should not exceed **5** pages – excluding annotation and data of author (authors).

When preparing illustrations, please note, that materials will be published in black-and-white colors.

Text editor – Microsoft Word 2003 or 2007.

Text of each report should include:

- Report title;
- Annotation, in scope not exceeding 500 signs;
- Complete name and surname of author/co-authors, rank, place of work, position;
- Post address, contact telephone, e-mail.

For authors from Russia – the text of report can be presented in Russian only. Report title, annotation and personal data are to be presented in Russian and English.

Foreign authors have to present all scope of materials in English. Presenting of materials in Russian is not mandatory and can be given at will of author only.

Reports are to be forwarded to secretariat of conference by e-mail as archived data (zip format is preferable).

Reports, included in conference program will be published in Russian or/and English languages in reports collection before beginning of conference. Text of reports will be published “as is”, literary correction will be done in case of typing and writing errors only.

For presentation of reports computer will be provided. The reporter can use his own computer. Its kindly requested to prepare all scope of illustrative material to the report as software presentation (Microsoft PowerPoint format) and/or video films (including postscored video films). Simultaneous interpretation of reports will be provided.

Draft agenda of conference is available on www.sstc.spb.ru.

Conference secretariat: Joint-Stock Corporation «Shipbuilding & Shiprepair Technology Center», 198095, 7 Promyshlennaya str., Saint-Petersburg, Russia.

Head of Secretariat – Mr. M. Dolmatov.
