WAMS started as a series of international workshops organized in Latin America, AMS2004 (Rio de Janeiro) and AMS2006 (Buzios); these events were focusing on Application and Theory of Modeling & Simulation. In following years WAMS was organized in both side of Atlantic Ocean (i.e. Rio de Janeiro, Italian Riviera), while in 2011, WAMS was co-located with the International Marine Defense Show in St.Petersburg Russia organized in Joint Cooperation with SPIIRAS Russian Academy of Science.

In 2012, WAMS was held in Rome in connections with the NATO CAX Forum. WAMS 2013 was back in Latin America followed by an edition in Istanbul and one in Bergeggi; so it is expected to attract in 2016 scientists, technicians and experts from world leading Universities, Institutions, Agencies and Companies.
WAMS Exhibitors & Media Partners
WAMS exhibition provides and opportunity to Simulation Company and vendors to present their innovative solution to a wide audience; WAMS welcome also media sponsors of the event; for additional info on these issues please contact francesco.longo@simulationteam.com
