Liophant Simulation

URL www.liophant.org

Email info@liophant.org

Liophant was established as Chapter of the Society for Computer Simulation International in 1996 and it was an observer member in Eurosime; Liophant further evolved in 2012 by been reorganized and currently involves Scientists and Technicians working on Simulation in Companies, Agencies & Academia.

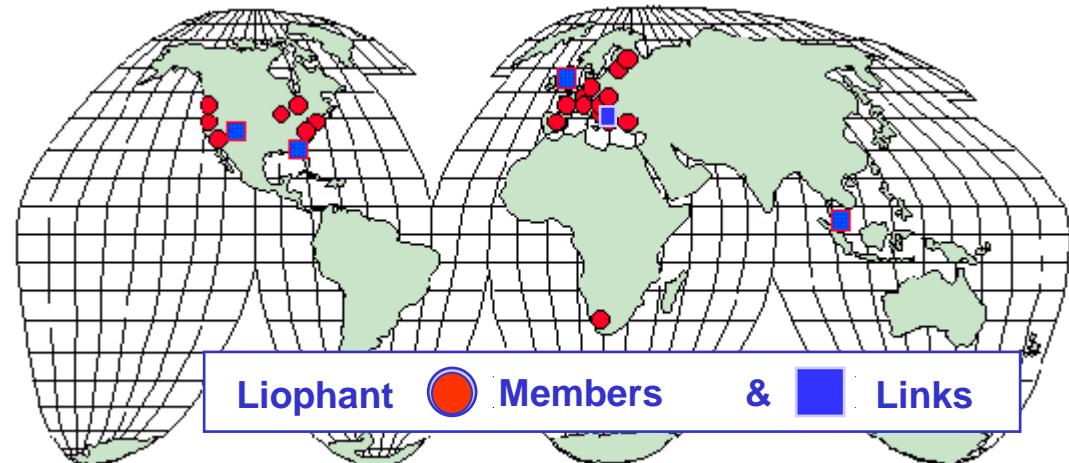

The *Liophant* develops Advanced Projects for Real Industrial Applications as:

- ❖ CELEBES Simulating Power Plant Construction
- ❖ IPHITOS Simulating Space Guard System
- ❖ SPIRALS Simulation Moon Base Logistics
- ❖ Health Care & Human Behavior Modeling

Liophant Simulation
promotes international
Cooperations and
exchanges with Excellence
Centers World-Wide (i.e. NCS)

www.liophant.org

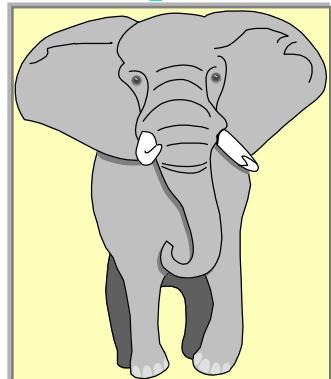

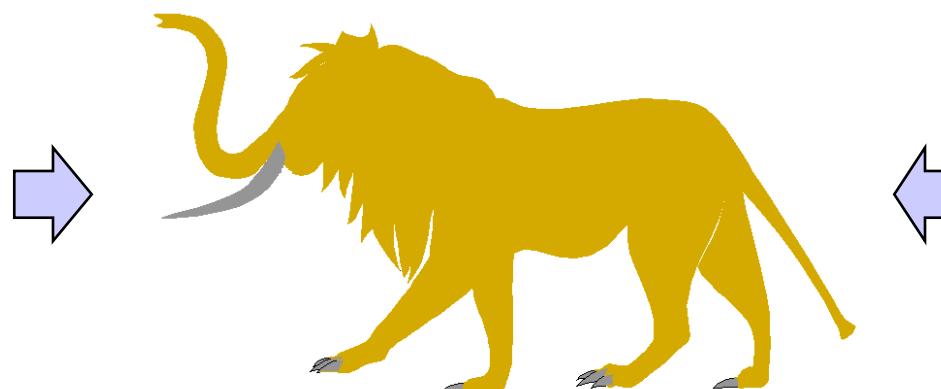

What is a Liophant ?

- It is a combination of an **Elephant** and a **Lion**
- It is a **Mythological Being**
- He is **Brave as a Lion** and **Strong as a Elephant**

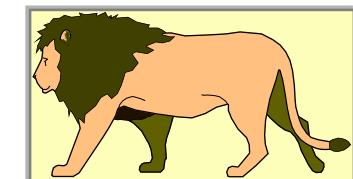

Elephant

Liophant

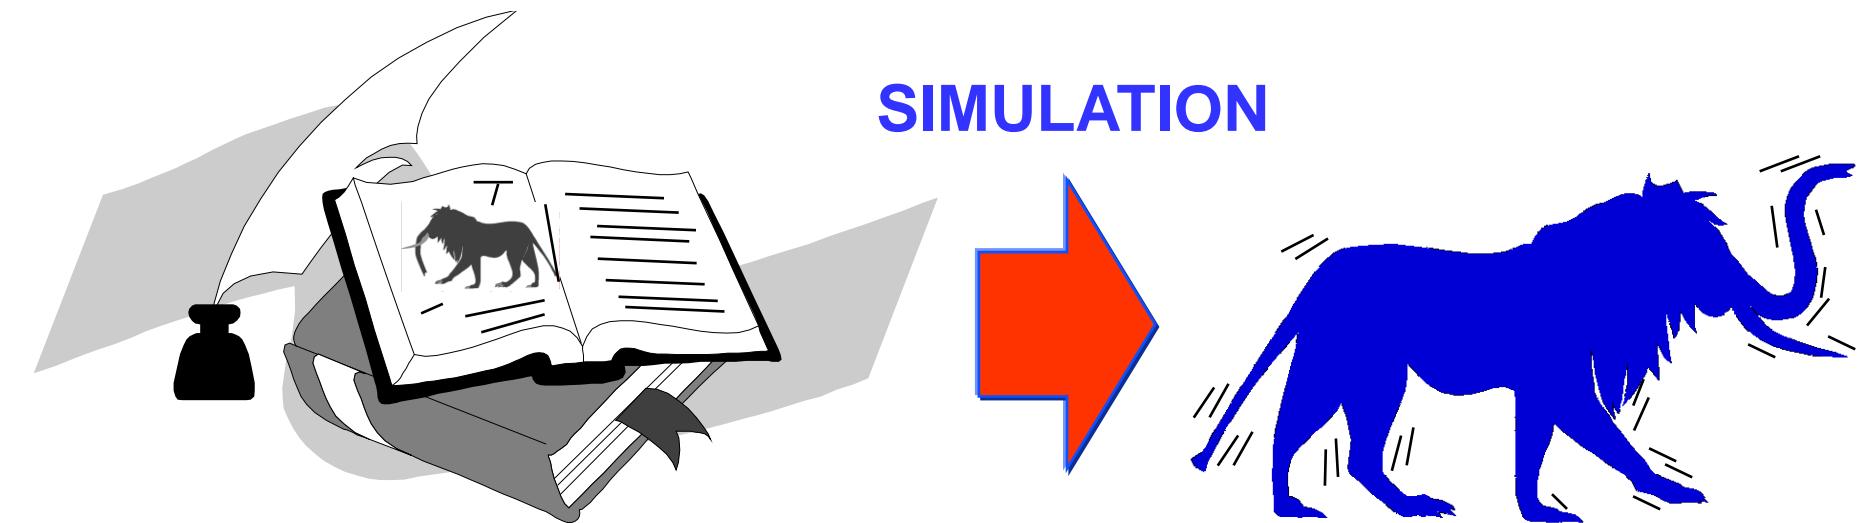

Lion

Why Liophant?

- The *Liophant* is a Mythological Being that only Simulation could bring back to life.

The Liophant is a Mythological Being that only Simulation can bring back to Life !

Liophant is a non-profit association born in order to be a trait-d'union among simulation developers and users; Liophant is devoted to promote and diffuse the simulation techniques and methodologies; the Association promotes exchange of students, sabbatical years, organization of International Conferences, organization of courses and stages in companies to apply the simulation to real problems.

ICAMES is the "International Cultural and Academic Meeting of Engineering Students", organized by the Engineering Society of Bogazici University. It is a project competition held in second week of May annually aiming to gather the different cultures from different countries in Istanbul. The most crucial importance of ICAMES is that it is the first and only organization which brings the university students and academicians together on an international base in Turkey. The support of Bogazici University Rectory and Dean of Engineering School is the guarantee that **ICAMES** will continue at full pace in the successive years being an engineering student and having a sense of engineering is sufficient. Although the main concept of **ICAMES** is a major project competition it is complemented with informative presentations about the cultures of Turkey and participating countries. **ICAMES**, which will be held for the 19th time this year, had been organized in 1994 for the first time by a group of students keeping in mind their principle as "Great deeds come with great dreams".

Our aim is not only to organize an academic workshop but also to introduce our country and culture and to improve mutual understanding between students from different cultures, religion and ethical backgrounds throughout **ICAMES**. At the same time we provide the participating countries with the opportunity to present their own cultures. Furthermore, the competition is complemented with excursions and social activities such as historical city tours, boulding...

Liophant Simulation Football Team

Since May 2003, Liophant Simulation established the Liophant Simulation Football Team (LSFT) by students from different Italian Universities.

Liophant Simulation Football Team (LSFT) lays the Foundation Stone on Savona Campus Football History winning the First Trophy Winner: 5-1 while Liophant Female Football Team (LFFT) was founded in 2007 and won Savona Female Campus Trophy

In 2005, the first edition of Savona Campus Trophy was set up and Liophant have won this football's ultimate prize, cementing their status as the most successful team in the history of the Campus. Liophant Football Captain accepted the Trophy in an emotional prize-giving Ceremony were Team and Club President celebrated by a Champagne waterfall (Veuve Cliquot for gossip columnist). In 2006 Liophant won again, while in 2007 he classified 2nd; on May 2008 LSFC won once again.

The Liophant Football Team established a Female Equipe in 2007; The Equipe was divided in two teams that resulted in First and Second place during the first Female Football Cup in Savona Campus during the 2007 autumn. The Equipe get a new "livrea" similar to Liophant Football team white shirt. A special game was run between Male and Female teams for establishing this new initiative during late 2007.
