

## CAPRICORN Workshop

### *CIMIC & Operational Planning in Scenario*

**COE**  
*Center of Excellence on Simulation*

Caserma de Cicco  
24 May 2010  
Rome

Il giorno 24 maggio, organizzato dal Simulation Team, MISS DIPTM, presso il COE di Roma, si terra' il Workshop CAPRICORN mirato a sviluppare nuovi soluzioni e supporti decisionali basati sulla simulazione per supportare l'Operational Planning con particolare attenzione all'impatto delle CIMIC e PSYSOP sulla popolazione e sui soggetti presenti in Scenari Complessi di guerra asimmetrico.

CAPRICORN e' un progetto di ricerca dell'EDA (European Defense Agency) che si sviluppa, in cooperazione con gli MoD Italiano e Francese, sotto il Coordinamento del Prof. Agostino Bruzzone del Simulation Team, MISS DIPTM, e coinvolge LSIS Marseille e MAST srl.

Obiettivo di questo Workshop e' presentare in Italia questa iniziativa e l'approccio proposto ed attivare una discussione con esperti operativi e tecnici per identificare le esigenze in questo settore; verranno inoltre organizzate presentazioni su simulatori di scenari complessi in corso di utilizzo per l'iniziativa CAPRICORN.

- 10:00 Welcome
- 10:30 CAPRICORN Project Overview
- 11:00 Technical & Operative Presentations
- 12:30 Panel Discussion
- 13:00 Closure

Location

**COE, Caserma de Cicco, Rome, Italy**

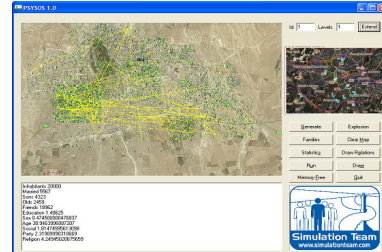

*L'evento e' tenuto in un'area non classificata e la partecipazione e' gratuita, tuttavia, data la natura del workshop, e' consigliato registrarsi per tempo comunicando i propri riferimenti (nome, contatti e affiliation); per ulteriori Informazioni e per Registrarsi prego contattare la dott.ssa Marina Massei*

## CAPRICORN Workshop

### *CIMIC & Operational Planning in Scenario*

**COE**  
*Center of Excellence on Simulation*

Caserma de Cicco  
24 May 2010  
Rome

On May 24, the Simulation Team, MISS DIPTM hosts the CAPRICORN workshop at COE Rome, devoted to develop Innovative Solutions and Decision Support System based on Simulation to support Operational Planning with special attention to CIMIC and PSYOPS and on their impact on population and active actor in Complex Asymmetric Warfare scenarios.

CAPRICORN is an EDA (European Defense Agency) Research & Development Project, in cooperation with Italian and French MoDs, coordinated by Prof. Agostino Bruzzone, Director of Simulation Team, MISS DIPTM involving LSIS Marseille, MAST srl.

The goal of this workshop is the exploitation of CAPRICORN in the National Community; the project and the proposed technologies and approaches will be presented in order to activate a discussion with subject matter experts on technical and operative issues related to this sector; during the event simulators in use within CAPRICORN on similar scenarios will be presented.

- 10:00 Welcome
- 10:30 CAPRICORN Project Overview
- 11:00 Technical & Operative Presentations
- 12:30 Panel Discussion
- 13:00 Closure
