

# Call for Papers

## 2009 International Simulation Multi-conference (ISM'09)

The **2009 International Simulation Multi-conference** consists of:

**July 13-16, 2009**

**Grand Cevahir Hotel and Convention Center**  
**Istanbul, Turkey**

**Honorary Chair**

**Tuncer Ören**

**University of Ottawa, Canada**

**Steering Committee Chair**

**Agostino Bruzzone**

**University of Genoa, Italy**

**Local Organization Committee Chair**

**Veysi İşler**

**METU, Turkey**

**SummerSim'09 General Chair**

**David Cook**

**The Aegis Technologies Group**  
**VP Conferences, SCS**

**Exhibits Chair**

**D.J. Weed**

**SCS**

**Sponsored by**

**The Society for Modeling and Simulation International**

- **2009 Summer Simulation Multiconference (SummerSim'09)**
  - **International Symposium on Performance Evaluation of Computer & Telecommunication Systems (SPECTS'09)**
  - **Summer Computer Simulation Conference (SCSC'09)**
  - **Methodology, Tools, Software Applications (M&S-MTSA'09) (part of SCSC'09)**
  - **Grand Challenges in Modeling & Simulation (GCMS'09)**
- **2009 SISO European Simulation Interoperability Workshop (Euro SIW)**

and will include invited speakers, quality refereed papers, timely topical workshops, joint plenary sessions, consolidated registration, and access for registrants to all Multi-conference activities hosted at the **Grand Cevahir Hotel and Convention Center** in **Istanbul, Turkey**.

The **2009 Summer Simulation Multiconference (SummerSim'09)** is an annual conference sponsored by The Society for Modeling and Simulation International which covers state-of-the-art developments in computer simulation technologies, as well as scientific, industrial, and business applications. Areas covered include high-performance computing technologies, models and algorithms, GUI visualization technologies, communications and much more.

P.O. Box 17900  
 San Diego, CA 92177-7900  
 Tel: 858-277-3888  
 Fax: 858-277-3930  
 E-mail: [scs@scs.org](mailto:scs@scs.org)  
<http://www.scs.org>

## **SummerSim'09** **Corporate Sponsorship**

Application disciplines covered include advanced telecommunication; computer systems; military, government & aerospace; energy, and other industries. The conference includes keynote speeches presented by technology and industry leaders, technical sessions, professional development courses and seminars, as well as vendor exhibits. Scientists, engineers, managers, educators, and business professionals who develop or use simulation tools are invited to participate and present original papers. Proposals are solicited for papers, panels, tutorials, workshops, seminars, exhibits, social activities and for other presentation, discussion and sponsorship formats. People are always welcome to benefit by taking an organizing role. SummerSim'09 offers many ways to promote simulation products and to enhance corporate images. You are invited to use the Summer Simulation Multiconference in ways that best serve your interests.

### **The following topic area conferences & conference tracks are scheduled:**

- **International Symposium on Performance Evaluation of Computer and Telecommunication Systems (SPECTS'09)**
  - **General Chair: Mohammad S. Obaidat, Monmouth University, USA**
  - **Program Chairs:**
    - **Jose Marzo, Univ. of Girona, Spain**
    - **Jose Sevillano, Univ. of Seville, Spain**
    - **Pawel Gburzynski, Univ. of Alberta, Canada**
  - **Program Vice Chairs:**
    - **Sudip Misra, Indian Institute of Technology-Kharagpur, India**
    - **Ching-Hsien (Robert) Hsu, Chunghua University, Taiwan**
    - **Alejandro L. Barranco, Univ. of Seville, Spain**
  - **Tutorials and Special Sessions Chair: S. Dharmaraja, Indian Institute of Technology, Delhi, India**
  - **Technical Co-Sponsors:**
    -  **IEEE Systems, Man, and Cybernetics (SMC) Society**
    -  **IEEE Communications**

Society

- **Summer Computer Simulation Conference (SCSC'09)**
  - **General Chair:** **Levent Yilmaz**, Auburn University, USA
  - **Program Chairs:**
    - **Osman Balci**, Virginia Tech, USA
    - **Xiaolin Hu**, Georgia State University, USA
    - **Maarten Sierhuis**, NASA, USA
  
- **Methodology, Tools, Software Applications (M&S-MTSA'09)**  
*part of the Summer Computer Simulation Conference (SCSC'09)*
  - **General Chair:** **Hamid Vakilzadian**, University of Nebraska, Lincoln, USA
  - **Program Chairs:**
    - **Ralph Huntsinger**, University of California, Chico, USA
    - **Mhamed Itmi**, MISS, France
  
- **Grand Challenges in Modeling & Simulation (GCMS'09)**
  - **General Chair:** **Hamid Vakilzadian**, University of Nebraska, Lincoln
  - **Program Chairs:**
    - **Roy Crosbie**, California State University, Chico, USA
    - **Terry Ericson**, Department of the Navy, USA

Original, high-quality technical papers are solicited for review, possible presentation and subsequent publication in the conference proceedings. Abstracts are strongly encouraged in advance of the final papers. All final paper submissions are to be made electronically to SCS via the [SCS Conference Proceedings Management System](#). Include complete postal and e-mail addresses, and fax and phone numbers of corresponding author. Papers must be in English. For further instructions, please refer to the Submission Instructions in the [SCS Conference Proceedings Management System](#) web site. Confirmations will be sent to the contact author when the file has been retrieved and successfully viewed or printed. Only original unpublished material will be considered for publication. Authors should identify the area(s) in which they think their contribution would best fit, and should clearly indicate whether the submission is for a poster session or a full paper. Only papers that have not been previously published or presented are acceptable. Authors must obtain any employer, client, or government clearances before submission of the final manuscript. All conference attendees are expected to participate at their own expense.

A PDF version of this Call For Papers is available [here](#).

## Key Dates

See the individual [topic area conferences](#) for conference-specific Key Dates.

---

## Exhibits

SummerSim'09 provides Corporate Members and other vendors, offering products and services compatible with the technical program, a low-cost opportunity to display on a tabletop or with free-standing equipment. The program provides specific time blocks designed to enhance vendor contact with attendees who are eager to learn about new products for simulations and simulators. For Exhibit Information, contact the [Exhibits Chair](#).

---

For additional Conference Information, contact SCS.
