TECHNICAL SKILLS

With computers, specific kinds of equipment, machinery, etc..

- Participation in the seminar " Manufacture by gluing : technological aspects and process management " on 11.11.2015 .
- Participation in the seminar " Weldability nonferrous materials - Part 2 " on 06.10.2014 .
- Participation in the first day on the robotic welding " Feel Weld 1 " , dated 05.27.2014 .
- Participation in the seminar " Weldability nonferrous materials - Part 1 " on 09.05.2014
- Participation in the seminar " Manufacture by gluing : technological aspects and process management " on 11.11.2015 .
- Participation in the seminar " Weldability nonferrous materials - Part 2 " on 06.10.2014 .
- Participation in the first day on the robotic welding " Feel Weld 1 " , dated 05.27.2014 .
- Participation in the seminar " Weldability nonferrous materials - Part 1 " on 09.05.2014
- Participation in the seminar "The automated ultrasonic inspection: its proper use as a replacement to X-rays as required by ASME Codes" (07/11/2013)
- English language course at the Oxford School of Savona (from October 2013 to may 2014).
- English language course at the Wall Street Institute of Savona (from November 2011 to January 2013).
- Participation in the seminar "The welding in the manufacture and maintenance of oil and gas pipeline steel: how they are changing processes, materials, technologies and regulations" (22/03/2012)
- National Days welding held on 23 to 24 May 2013 (GNS7).
- National Days welding held on 26 to 27 May 2011 (GNS6).
- 2009/2010: Frequency of the training course "MIC Liguria" for managers of the cooperative, organized by Quadir in collaboration with LegaCoop.
- Award of the IWE. Taught at the IIS of Genoa, courses start in January 2008, during the end December 2008. Renovated in 2011.
- Participation in the seminar "The new standard EN 15085:2008 (parts 1 to 5): implementation, differences with the norm DIN6700 and integration with the standards IRIS", held in Florence, organized by RINA
- Involvement in the Local Organization of "Simulation in Industry Congress" in Genoa Sheraton sponsored Society for Computer Simulation International San Diego
- Involvement in the Local Organization of "First National Port Safety Congress" in Genoa sponsored European and Italian Boat Man Association
- Teacher in Professional Course on "Safety", "Planned Maintenance", "Quality Assurance", "Warehouse Design and Management"
- Very Good Experience with Microsoft Windows(tm), Microsoft Office Suite(tm) and Web Applications (i.e. Internet Explorer, FTP, HTML etc.)
- Nice Experience as SAP R/3(tm) User
- Very Good Experience with Microsoft Visual Basic (tm)
- Good Experience with Microsoft Visual C++(tm)
- Good Experience with Autodesk Autocad(tm)
