What is a Liophant ?

- It is a combination of an Elephant and a Lion
- It is a Mythological Being
- He is brave as a Lion and strong as a Elephant

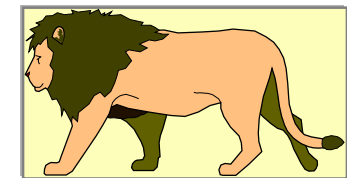

Elephant

Liophant

Lion

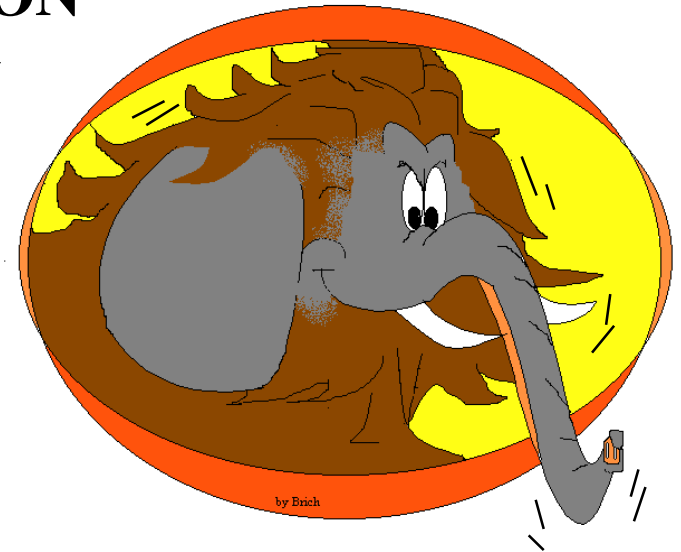

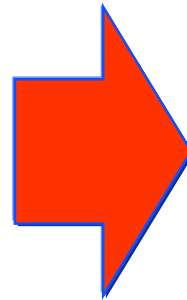

Why Liophant?

- The *Liophant* is a Mythological Being that only Simulation could bring back to life.

Welcome to our new web site

**PROJECT
DESCRIPTION
HOW TO
PARTICIPATE ?
MAIN EVENTS
SCHEDULE
MAIN PAGE**

We, as engineering students of **Bogaziçi University** , Istanbul TURKEY, who confront with similar situations at school invite you to meet our lovely city Istanbul, discuss academic projects and have fun as well.

We, as the members of **Engineering Society** (ENSO, a distinguished organization of Bogaziçi University), try to bring engineering students from all over the world. Every year we make new friends and in 2009, we want to see you among us.

It is easy to participate in ICAMES. Because, there is no limitation on topic!! Any engineering topic may be acceptable. In other words, it doesn't matter if you are a student from electrical, chemical, computer, manufacturing, civil or mechanical engineering disciplines. The must is to have a project which is acceptable according to the criteria stated in the "Project Description".

If you are interested in an engineering project or you have to submit a thesis , find one or two friends, arrange your advisor (any academician acquainted with your project), prepare your project presentations and apply with the project proposal by sending us your abstract.

If your project is accepted by the Advisory Committee of ICAMES' 2009, the only thing you have to do is to buy your tickets because all of the other expenses of this incredible week will be provided by ENGINEERING SOCIETY.

We really want to see you here!

ICAMES 2009 Organization Committee...

There is no attendance fee.

Free meals and accommodation will be provided for all participants.
All the participants will be given certificates at the end of the meeting.
Awards will be given to the first three projects.

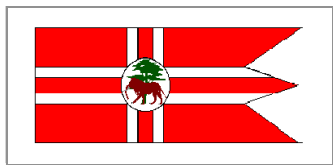

The Fourteenth International Cultural and Academic Meeting of Engineering Students organized by the undergraduate students of ENGINEERING SOCIETY (ENSO) of Bogazici University, will be held in
