ORGANIZATION  
COMMITTEE

**HISTORY**  
ICAMES is the "International Cultural and Academic Meeting of Engineering Students", organized by the Engineering Society of Bogazici University. It is a project competition held in second weeks of May, annually aiming to gather the different cultures from different countries in Istanbul. The most crucial importance of ICAMES is that it is the first and only organization which brings the university students and academicians together on an international base in Turkey. The support of Bogazici University Rector and Dean of Engineering School is the guarantee that ICAMES will continue as full part in the successive years being an engineering student and having a sense of engineering is sufficient. Although the main concept of ICAMES is a major project competition it is complemented with informative presentations about the cultures of Turkey and participating countries. ICAMES, which will be held for the 15th time this year, had been organized in 1994 for the first time by a group of students keeping in mind their principle as "Great deeds come with great dreams".

Our aim is not only to organize an academic workshop but also to introduce our country and culture and to improve mutual understanding between students from different cultures, religion and ethical backgrounds throughout ICAMES. At the same time we provide the participating countries with the opportunity to present their own cultures. Furthermore, the competition is complemented with

# Liophant Simulation Football Team

Since May 2003, Liophant Simulation established the Liophant Simulation Football Team by students from different Italian Universities.

Liophant Football Team lays the Foundation Stone on Savona Campus Football History First Trophy Winner: 5-1 while Liophant Female Football Team was founded in 2007 and they won Savona Female Campus Trophy

In 2005, the first edition of Savona Campus Trophy was set up and Liophant have won this football's ultimate prize, cementing their status as the most successful team in the history of the Campus. Liophant Football Captain accepted the trophy in an emotional prize-giving Ceremony with his team and Club President in a Champagne waterfall (Veuve Cliquot for gossip columnist). In 2006 Liophant won again, while in 2007 he classified 2nd; on May 2008 LSFC won once again.

*Sport Festival,  
Bogazici University 2003  
LSFT 2nd at Football  
Luca Bucchianica  
elected King of  
Sport Festival Party*

The Liophant Football Team established a Female Equipe in 2007; The Equipe was divided in two teams that resulted in First and Second place during the first Female Football Cup in Savona Campus during the 2007 autumn. The Equipe get a new "livrea" similar to Liophant Football team white shirt. A special game was run between Male and Female teams for establishing this new initiative during late 2007.
